### Who Are We?

Epsom College in Malaysia ("ECiM") is a partnership with Epsom College UK, a leading independent co-educational boarding school in the United Kingdom. ECiM is located on a 50-acre site adjacent to Kuala Lumpur International Airport, an hour drive from Kuala Lumpur. The proximity to the airport and common shareholder relationship has allowed ECiM to leverage AirAsia's extensive ASEAN route network and access to discounted fares – allowing for weekly boarding by international students and / or frequent parent visits and opening up a plethora of sporting and educational field trip opportunities. ECiM opened its doors to students in September 2014 and currently has a population of just under 400 pupils, most whom board full-time. Further information on ECiM is available on <http://www.epsomcollege.edu.my/>.
