

We are currently recruiting Malaysian / Malaysian-resident A level Teachers (to start in January 2020) for the following subjects:

Mathematics
Physics
Chemistry
Biology
Business Studies
Accounting
Computer Science
Economics
Psychology
Law

Candidates must hold a Degree in relevant subject area and a professional teaching qualification. Candidates must also have a minimum of 3 years experience teaching in an international school and 3 to 5 years experience teaching A levels.

The school is young and vibrant with a vision to be an international school renowned for its excellence in education and holistic character development of their students. The school offers a British-based curriculum focusing on A-Level examinations, for years 12 and 13, and concentrating on examination boards like Edexcel, CIE and AQA.

In line with the school's commitment to provide excellent education, substantial investments have been made to ensure that teachers and students are provided with world class academic and sporting facilities.

Salary: up to RM10,000 per month based on experience. Salaries are awarded on the basis of the experience and qualifications.

We offer a comprehensive set of benefits to staff, including free lunch during term time in the school dining hall, substantial medical insurance cover, including hospitalisation and surgical, out-patient as well as dental cover.

Other benefits include use of various school facilities, such as the swimming pool and gym and heavily subsidized (up to 90%) air travel across the ASEAN region.

More details of salary and benefits will be provided through the application process.

2 Year contract (renewable on mutual agreement).

Please apply by submitting: an application letter, CV, details and email addresses of two referees, one of whom should be your most recent line manager.

Appointments are subject to successful background checks as well as satisfactory references.
