

BEHAVIOUR POLICY - PREP SCHOOL

1. Principles

This policy document sets out to promote and maintain honest, considerate and dependable behaviour amongst Epsom College in Malaysia Prep School pupils, with specific reference to our younger members of the College community in the Prep School. It reflects and pulls together the long-held values and principles on which are based the College's expectations of high standards of behaviour amongst its pupils. The College Rules apply to all age groups and at all times when the pupil is: at school, representing the College or wearing school uniform; travelling to and from school; associated with the College at any time. The Policy has also been drawn up so as to comply with Standard 12 of the UK's National Minimum Standards for Boarding Schools 2015 and takes into account the statutory UK guidance given in 'Behaviour and Discipline in Schools' (Feb 2014) and the Equality Act 2010.

The Governors, Headmaster and Head of Prep School intend that the College Rules and the sanctions provided in them shall also, in appropriate circumstances, be capable of regulating the conduct of pupils when they are away from College premises and outside the jurisdiction of the College, for example during a half term break. This will normally be where the conduct in question could have repercussions for the orderly running of the College, affects the welfare of a member or members of the College Community or a member of the public, or which brings the College into disrepute.

This policy does not exist in isolation and it is to be read in conjunction with several other College publications that deal with specific aspects of pupils' behaviour, the way in which it is managed, and associated rewards and punishments:

Anti-Bullying Policy
Child Protection Policy
Classroom Expectations
Complaints Procedure for Parents
Code of Conduct for Sport
Drugs, Alcohol and Tobacco Misuse
Exclusions, Removal and Review Policy
Social Media Policy
Use of Reasonable Force Policy

2. Statement of Purpose and Core Values:

To be a distinctive learning community which synthesises the best elements of the Epsom College in Malaysia boarding and day education with the values, expectations and traditions of our international setting and in which all members of the community are helped to aspire to high achievement in all they do, to seize opportunities, to develop emotional resilience and to support others in our collective drive to make a difference.

Epsom College in Malaysia Prep School aims to ensure the following statements are met by its pupils:

- 1) **Good Manners:** We treat everyone with courtesy and respect. We consciously avoid hurting others, in body or mind. We remember always to treat others as we would like them to treat us.
- 2) **Selflessness:** We always put others before ourselves. We look for ways in which we can help others to grow. We think not what the College can do for us, but what we can do for the College.
- 3) **Hard Work:** We recognise that diligence and effort are the foundations of success. We strive to do everything to the best of our ability and not to give up when the going gets tough.
- 4) **Humility:** We are modest about our talents and mindful of the talents of others. We celebrate success in all its forms, but remember that we must never err into arrogance.
- 5) **Care for the Environment:** We care for our environment and we extend this care to the world at large. We avoid waste, we recycle, we develop awareness and we care for animals.

3. Rationale

A student's experience in school remains one of the most insightful indicators of later life success in any one of a number of metrics. For many, it is the best chance they will ever have to flourish. How they conduct themselves at school is crucial to that experience. Helping them develop good behaviour is therefore one of the most important tasks a school faces.

Epsom College in Malaysia Prep School recognises that behaviour in school is inseparable from academic achievement, safety, welfare and well-being, and all other aspects of learning. It is the key to all other aims and therefore crucial. Its correct direction is equally crucial, and should be viewed as an issue of the highest strategic importance. Behaviour does not manage itself, except haphazardly.

In this policy, 'behaviour' refers to any actions performed by any members of the student and staff communities. It includes conduct in the classrooms and all public areas: how members work, communicate, relax and interact; how they study; how they greet staff; how they arrive at school, transition from one activity to another; how they use social media, and many other areas of their conduct. It does not merely refer to how students do or do not act socially.

4. Aims of the Policy

This Behaviour Policy aims to:

1. Define clear principles of behaviour for children.
2. Promote good behaviour through positive reinforcement.
3. Provide the essential framework for the development of the ethos of the school.
4. Promote respect for others within a moral, spiritual and cultural context.
5. Provide an environment for children and adults in which they feel safe and supported and to be able to learn and teach effectively.

5. Behaviour Management

It is *essential* that all members of staff use a consistent approach to behaviour management.

6. Code of Conduct

The regular business of a school can only be carried out effectively in a disciplined and structured environment. In each classroom, children and teachers work together to create a set of guidelines which is pertinent to that group of children, taking into consideration their age and setting.

General Expectations

Every child is expected to:

- a) be trustworthy, truthful and reliable;
- b) commit themselves to the ethos of the Prep School and abide by its published rules to contribute towards the establishment of a stimulating educational environment in which all pupils can flourish;
- c) accept responsibility for their own progress, with particular reference to learning and academic attainment;
- d) fulfil all obligations including punctual attendance at all compulsory activities;
- e) take full advantage of the wide range of co-curricular activities on offer;
- f) strive towards attainment in all areas and support others in their attempts to do likewise;
- g) respect the rights of others, including that of privacy;
- h) behave rationally, and conduct themselves in an orderly and considerate manner — for example, by being prepared when necessary to wait in turn and queue patiently;
- i) show respect to those in authority, including referees, umpires and other games officials;
- j) be smart and take pride in their appearance and demeanour, following uniform guidelines;
- k) show consideration for other members of the College community — for example, by respecting their belongings and avoiding undue noise and other forms of disturbance;
- l) refrain from using foul language, gestures and other forms of offensive behaviour;
- m) act prudently to preserve their own health and safety by eating sensibly, exercising regularly, carefully assessing risks and avoiding harmful substances;
- n) tolerate beliefs, opinions and ways of life that differ from their own and respect diversity of gender, race, religion and culture;
- o) conserve the buildings, plant and grounds of the College — for example, by proper disposal of rubbish;
- p) be aware of environmental issues and help the College reduce its environmental impact;
- q) prepare for life beyond the Prep School in the wider world by developing self-discipline, interpersonal skills, reliable and effective working practices and a willingness to serve the community.

Classroom Expectations

Teaching and learning are the principal functions of every school. During the school day, there will be much interchanging of children and teachers, and it is therefore important that conduct in lessons complies with accepted standards that are well understood and universally applied. In addition to the points above, the following apply to the conduct of children in lessons. Many also apply outside the classroom in other situations where instruction, coaching or training is taking place.

All children must:

- a) arrive in good time for every lesson, assemble as requested by the teacher, and enter the room quietly;
- b) arrive with the appropriate equipment as specified by teachers at the beginning of an academic year or at the outset of a new course of lessons, or as directed by the teacher during a previous lesson;
- c) sit as directed by the teacher;
- d) start every lesson in a calm and ordered manner;
- e) keep their mobile phones and devices at home. Any phones needed for pick-up purposes, are to be kept with the Head of Prep during the school day.
- f) have available their diary/planner (Years 3 to 6) at the beginning of every lesson and record appropriate information (homework, deadlines, advice etc.) as directed;
- g) listen to and follow instructions, which may be given verbally, in writing or by means of practical demonstration;
- h) raise a hand before answering or speaking and not interrupt a teacher or fellow student;
- i) treat others and their work with respect;
- j) handle equipment carefully and follow specific safety guidelines given by the teacher during a lesson;
- k) complete tasks during the lesson in a positive and well-ordered manner;
- l) leave the classroom quietly, returning all furniture and equipment to their proper places.
- m) notify the teacher in advance, as a matter of courtesy, of any anticipated absence from all or part of a lesson or activity, for whatever reason.

7. Prep School Routines

Well-established and universally known and understood systems and routines promote good behaviour. In addition to the above expectations for general classroom behaviour, children will adhere to the following specific situations, which are subject to change.

Movement around the College:

- All movement in and around the College building should be purposeful. Staff should see that all children are suitably supervised when moving around the school.
- Children observed to be behaving appropriately, politely and considerately (holding doors, lining up quietly etc.) should be thanked, praised or rewarded. Those who are not should be reminded of the expectations and their behaviour corrected e.g. to go back and walk sensibly.
- Children should keep to the left and allow members of staff or visitors the right of way.

Lunch Hall:

- KS1 children sit together and are supervised by two adults who support and encourage healthy eating, good manners and meal conversation.
- Children enter the dining hall and line up at the food stations in a calm and orderly manner.
- Priority in food lines should be given to the younger children.
- At 12:40pm, all of KS2 children will line up adjacent to the windows and will be escorted out by two members of staff. KS1 children will line up next to KS2. One adult will escort the first group of children, whilst the second adult supervises the remaining children. All children should have left the dining hall by 12:40pm unless for extenuating circumstances. A member of staff will remain with any child after this time and will assume responsibility of moving them to their break location.

Break times: (to be read in conjunction with *Prep Playtime Guidelines, Appendix 1*)

- EYFS and KS1 play in the Prep Garden and KS2 play on Granville Green/Cricket Pitch as directed by the members of staff on duty. Children must be supervised when crossing the road.
- Children should go to the toilet before leaving for break time.
- Two members of staff are on duty at each location.
- At the end of each break, the member of staff on duty in the Prep Garden raises their arm, which is copied by all children. On Granville Green, this may require one blow of the whistle to attract children's attention. When all children are still, quiet and with arms raised, the teacher will tell them to line up in their designated areas, which should be in quiet, class lines. The children will then be escorted into the building in a calm and orderly manner.
- Rain, thunder or lightning results in indoor play. Staff should adhere to the guidance given from the portable lightening meter. Children return to their classrooms and are supervised with 'wet-play' activities.

Pick-up/drop-off routines:

- Parents bring their children to school no earlier than 8:00am. If any child needs to be dropped off before 8:00am, the Early Years Classroom is open from 7:45am and can be arranged through contacting the Head of Prep School. No child should be dropped off any earlier than 7:45am and classrooms do not open until 8:15am.
- From 8.00am children are dropped off in the Prep Garden, where a member of staff will be on duty.
- Children's personal belongings remain with them.
- The children are dismissed from the Prep Garden. During heavy rain and lightning, parents will be notified via WhatsApp that it is 'Rainy Day pickup', whereby the children are collected from the KS2 door or escorted to their car by a member of staff.
- Parents are not to enter the school building to pick up their child. Children meet their parents in the Prep Garden. Should a parent or child need to re-enter the building, then they must be escorted by a member of staff.
- Any children still awaiting pick-up after 4:15pm will be sent to after-school care which will incur an additional cost.

8. Recognition of Good Behaviour and Rewards

Epsom College in Malaysia Prep School aims to motivate its pupils and create a culture of excellence and an appropriate environment for inspirational teaching and effective learning by taking every opportunity to recognise effort, attainment and positive behaviour.

Class teachers are responsible for creating a positive ethos through praise and rewards for good work and behaviour in their classroom. Teachers establish their own methods of rewarding positive behaviour with a consistent approach and to suit the age and individual needs of their pupils, which might range from stickers and stamps to charts and table points, broadly adhering to the following stages:

Stage 1	Verbal/written praise, stickers etc.	Verbal commendation for good work in class or general good behaviour.
Stage 2	House points (*see below)	A house point is a recognition of something that a child has done which goes above and beyond what is expected of them e.g. excellent work, exemplary behaviour, achievement, demonstrating effort or promoting College values.
Stage 3	Certificates (*Star Student / departmental)	These are chosen by the class teacher and are awarded in the weekly assembly. It may be for an outstanding piece of work, exceptional behaviour or demonstrating a College value. This ensures that a child's success is shared with their peers, the Head of Prep and other members of staff. Certificates include awards for 'Star of the Week' and 'Magic Moment of the Month'.
Stage 4	Sent to Head of Prep / Deputy Head of Prep for special sticker or Head of Prep (Award)	The child with their teacher or work may visit a member of the school's Senior Leadership Team for a particularly outstanding, exceptional piece of work or behaviour. This will be noted by a special sticker and/or a Head of Prep 'Star of the Week' certificate. The piece of work may be on display.

At the end of each academic year, children can also be further recognised during Speech Day.

The House System and House Points

The House system is central throughout the College. Upon admission to the College, children are assigned a House, which reflects those in the Senior School. House points are awarded individually and are recorded by the children either on their house point chart or in their planners. These, in turn, are collected on a weekly basis and the totals are announced in assemblies and the House displays are updated accordingly.

On earning 25 house points, children are awarded a bronze certificate. 50 house points equates to a silver certificate and 100 houses points is a gold certificate. Most children will achieve a gold certificate each term.

9. Use of Disciplinary Sanctions

All schools now have a statutory power to discipline pupils for breaches of school rules, failure to follow instructions or other unacceptable conduct. Schools have the authority to impose disciplinary sanctions on a pupil whose conduct falls below the standard that could reasonably be expected of him/her. Use of disciplinary sanctions must be reasonable and proportionate to the circumstances of the case, and teaching staff should apply them consistently and fairly. Account may need to be taken of a pupil's age and any special educational needs, disability and religious requirements affecting the pupil.

Disciplinary measures have three main purposes:

- to impress on the perpetrator that what he or she has done is unacceptable;
- to deter the pupil from repeating that behaviour;
- to signal to other pupils that the behaviour is unacceptable and thereby deter them from doing it.

The application of sanctions is more likely to promote positive behaviour if pupils view the process as being fair.

Teaching staff are advised to:

- make it clear during any investigation that it is always in a pupil's best interests to tell the truth, and that the pupil's candour will be reflected in any sanction that is eventually applied;
- make it clear where appropriate that a sanction is being applied to deal with a pupil's behaviour and not to stigmatize the pupil;
- avoid early escalation towards severe sanctions, reserving them for the most serious or persistent misbehaviour;
- avoid sanctions becoming cumulative and automatic, by taking into account a pupil's individual needs, age and understanding;
- wherever possible, avoid whole-group sanctions that punish the innocent as well as the guilty;
- consider using sanctions that are a logical consequence of the pupil's inappropriate behaviour (for example, if work is not completed in class the pupil might be brought back to finish it off);
- use sanctions to help the pupil and others to learn from mistakes, and recognize how they can improve their behaviour;
- when appropriate, use sanctions that put right harm caused by unacceptable behaviour;
- never issue a sanction that is humiliating or degrading;
- apply sanctions in a calm and controlled manner;
- ensure that sanctions are seen as inevitable and consistent, such that pupils should know that a sanction, when mentioned, will be used;
- attempt to link the concept of sanctions to the concept of choice, so that pupils see the connection between their own behaviour, and its impact on themselves and others, and increasingly take responsibility for their own behaviour.

Sanctions should not be used where low-level interventions, such as the giving of a non-verbal signal or reminding a pupil of a rule, would be all that is needed. Staff should also consider when it might be more appropriate to encourage pupils to reflect on the harmful effects of their misbehaviour, rather than impose a sanction; for example, through producing a written account of the problem, or through individual or group discussions aimed at repairing relationships.

There is no corporal punishment at Epsom College in Malaysia Prep School. This includes the administration of corporal punishment to a pupil during an activity, whether or not on the school premises, and applies to all staff employed by Epsom College including any acting in *loco parentis* such as unpaid volunteer supervisors. The circumstances under which physical restraint may be used are noted below and in the College's policy: "Use of Reasonable Force to Control or Restrain Pupils".

A serious offence, or repetition of any offence at any level within a short space of time should usually lead to the next level sanction being imposed.

10. Scale of Sanctions

The following approved sanctions are in place:

Early Years Foundation Stage

Stage 1	<p>Redirect behaviour through positive statement e.g. walking nicely; sitting beautifully; good listening</p> <p>Do something to make amends e.g. to say sorry, a hug or a kind gesture</p>
Stage 2	<p>Repeat Stage 1 twice.</p> <p>Thinking time in classroom and moved to ORANGE on the traffic light chart.</p> <p>Parents to be notified at the end of the day to explain why the child was put on orange.</p>
Stage 3	<p>Repeat Stage 2.</p> <p>Thinking time in classroom and moved to RED on the traffic light chart.</p> <p>Parents to be notified by e-mail to explain why the child was put on red. Discuss strategies to amend behaviour.</p>
Stage 4	<p>Repeat Stage 3.</p> <p>HofP meet child's parents. Review behaviour strategies in place.</p> <p>If behaviour persists long term Head of Prep to be involved.</p>

Key Stages 1 & 2

Stage 1	<p>Minor, or initial, incidence of misbehaviour (e.g. first instance of not listening, poor effort with work, unkindness towards others, disobeying class/playground rules).</p>	<ul style="list-style-type: none"> • Verbal warning and a reminder of the expectation. • A short period of reflection ('time out') given. • A chance for children to make amends and correct their own behaviour. 	<ul style="list-style-type: none"> • Class teacher informed by either a teacher or a support staff. • If confident in their ability to resolve the issue, support staff, should follow the same procedures as teachers. If less confident, then it should be referred to a teacher.
----------------	--	---	---

Stage 2	Repeated breaches of class/playground rules and unkindness towards others, including verbal insults and swearing. Lack of homework (after a grace period and a next day reminder) or inconsistent effort in class work.	<ul style="list-style-type: none"> • A final warning is given and a reminder of the expectation. • A period of supervised reflection ('time out') given in class or in another class. • Temporary confiscation of item. • Instructions given for work to be re-done. • Comment in child's planner. • A part of a break is missed (no more than 10mins) to complete work or reflect on their behaviour. • At break times, children may have time out with member of staff on duty. 	<ul style="list-style-type: none"> • Class teacher led and behaviour is monitored and recorded 'in-class' to identify patterns in behaviour. • If children are not with their class teacher, a short e-mail and/or conversation with the additional teacher would be advisable so that consistency in reporting and recording is achieved.
Stage 3	Continuing to fail to meet expectations (repeated Stage 1 & 2 behaviour).	<ul style="list-style-type: none"> • Break spent with DHoP to complete work or reflect on their behaviour (no more than 2 per week). • Loss of privileges. • Parents informed by e-mail by the class teacher. • Behaviour report (template saved on Prep Shared Google Drive). 	<ul style="list-style-type: none"> • Class teacher & DHoP • Formal recording of behaviour and sanction on (iSAMS) by DHoP. • Parents contacted and informed by e-mail.
Stage 4	Persistent poor behaviour (3 or more visits to the HoP per half-term) * Serious incidents**	<ul style="list-style-type: none"> • Sent to HoP to discuss behaviour. • Break or lunchtime spent with HoP. • Parents invited in for a meeting to discuss child's behaviour and next steps. • Internal exclusion – taught outside of their normal classroom. • HoP behaviour report. 	<ul style="list-style-type: none"> • Class teacher, DHoP & HoP. • Formal recording of behaviour (iSAMS) by HoP and/or serious incident report filed. • Parents invited in for a meeting. • College Headmaster informed and/or involved.
Stage 5	Serious incidents**	<ul style="list-style-type: none"> • Sent to Headmaster. • Parents asked in to discuss child's behaviour and next steps. • In-school suspension. • Fixed-term or permanent exclusion. • Internal exclusion – taught outside of their normal classroom. 	<ul style="list-style-type: none"> • Class teacher, DHoP & HoP. • College Headmaster • Formal recording of behaviour (iSAMS) by Headmaster and/or serious incident report filed. • Parents invited in for a meeting.

A consistent approach and recording of sanctions from all staff is the key to success with the system.

11. Serious Incidents of Misbehaviour:

There are some incidents which will merit the immediate removal of the child from their classroom, notification of parents and a meeting with them, the child and a member of the Prep Senior Leadership Team being called and/or the Headmaster involved.

These include:

- threatening behaviour towards another child/member of staff
- deliberate damage to school or other's property
- theft observed by a member of staff or proven beyond all reasonable doubt
- verbal abuse towards any adult in school
- persistent bullying
- truancy
- racial or sexual harassment
- abusive behaviour towards others on the ground of religious beliefs or sexual orientation***

The scale of sanctions for incidents of this nature will be:

1. A fixed 'probation' period of up to two weeks in which behaviour will be very closely monitored.
2. If further issues arise, then the child may be 'internally excluded' – taught outside of their normal classroom. This will be for a fixed period, agreed between the professionals. Following this, there will be a managed reintegration into normal classroom arrangements.
3. If there are continued incidents (or if a child is deliberately violent towards another child or a member of staff), the child will be excluded initially for a fixed term and then permanently.

If a child is absent, sanctions will be completed on their return to school.

An 'Incident Record' must be completed following a serious incident and given to the Head of Prep. If an incident occurs off-site (educational visit, after-school care), an Incident Record should also be completed.

****The school is aware that there is a growing culture of children using terms such as 'gay' in a derogatory way but with no connection to actual or perceived homosexuality – e.g. 'You're so gay' or 'That's so gay'. Instances of behaviour like this will not immediately be 'serious incidents'. Where a child persists in using behaviour or language which makes anybody feel unwelcome or marginalised because of their actual or perceived sexual orientation, then this will constitute a 'serious incident' and will be recorded as 'homophobic bullying'.*

12. Recording of sanctions for serious misbehaviour

Ultimately behaviour management is about changing the behaviour of the miscreant; to do this good quality information is vital, such as the date, time, location, incident code of the event. Teachers must ensure all sanctions are recorded on iSAMs so that the Head of Prep School has a full overview.

The Head of Prep School is responsible for keeping a record of all sanctions imposed on pupils for incidents of serious misbehaviour. The detail recorded will include a summary of the offence and sanction, together with all paperwork relating to the incident. This log shall be monitored on an annual basis by the Headmaster, or as necessary.

Where a child is struggling to manage their behaviour on a longer term basis, further investigation may be required into the triggers and symptoms of the behaviour. For example, a child may have an attachment disorder which impacts upon their ability to control their own behaviour. Support from external agencies e.g. Educational Psychology may be requested. At this stage, a 'Behaviour Plan' may be put into place. When this happens, the scale of sanctions is suspended. The 'Behaviour Plan' is a formal document which is put together

in consultation with staff, parents and the child. It should include a detailed plan of action and targets which support the child in taking responsibility for their behaviour and also encourage positive behaviour. The plan is then shared with all members of staff who come into contact with the child. Behaviour Plans are monitored by the Head of Prep and Head of Learning Support. Where there are specific issues identified, training for staff working with the child will be sought and provided.

13. Exclusion (temporary or permanent)

The Headmaster may at his discretion require parents to remove or may suspend a pupil from the College if he considers that the pupil's attendance, progress or behaviour (including behaviour outside school) is seriously unsatisfactory and in the Headmaster's reasonable opinion the removal is in the College's best interests or those of the pupil. The Deputy Head (Pastoral) has the same authority in the absence of the Headmaster.

14. Malicious allegations against staff

Where a pupil makes an accusation against a member of staff and the accusation is shown to have been deliberately invented or malicious, the Headmaster will consider whether to take disciplinary action in accordance with this policy. Where a parent has made a deliberately invented or malicious allegation, the Headmaster will consider whether to require that parent to withdraw their child or children from the school on the basis that they have treated the school or a member of staff unreasonably.

15. Physical intervention

There are circumstances when teachers and other adults in positions of responsibility are empowered to act in a way that involves some form of physical intervention — in particular when the health and safety of pupils or anyone else is seen to be at risk, but also to prevent damage to property and possessions and in some situations to preserve good order and discipline at the College. In all cases the intervention should be reasonable and proportionate.

Guidance to teaching staff and others enabling them to conduct themselves in an appropriate manner on those rare occasions when it is deemed necessary to use some form of force, including physical restraint, is offered in the College's *'Use of Reasonable Force Policy'*.

A member of staff may take forceful but reasonable and non-injurious measures in order to prevent a pupil from:

- committing an offence;
- causing personal injury to, or damage to the property of, any person (including themselves);
- prejudicing the maintenance of good order and discipline at the school or among any children receiving education at the College, whether during a teaching session or otherwise;
- causing damage to property;
- prejudicing the maintenance of good order and discipline.

The aim in the guidance is to develop and uphold the consistent application of practices that, above all, are considered to be safe, but which also preserve the dignity and well-being of all those involved.

Recognition of the possibility that members of staff might sometimes be justified in using force is not a return to corporal punishment, use of which is not permitted anywhere in the College or beyond (i.e. during school related activities). Force may not be used as a form of punishment.

Staff exercising the power to use force must also take proper account of any particular special educational needs and/or disability that a child might have.

Where any incident has occurred in which physical control/restraint has been used, this must be reported to the Head of Prep and then recorded formally in writing. Both the member of staff and child should agree to the account recorded and it should be shared with parents as soon as possible.

For individual children considered to be at a high risk of requiring restrictive physical interventions, a 'Positive Handling Plan' will need to be put in place. This will be written in consultation with the child, parents, teacher and the Head of Prep. It will set out the techniques that should be used and those that should not normally be used. It will also include potential risks, options for responding to these challenges including techniques for de-escalation and advice for staff on how to respond when behaviour becomes dangerous.

Further information on the use of Physical Intervention can be found in Epsom College's 'Use of Reasonable Force' Policy, available on the College website.

16. Roles & Responsibilities

The responsibility for behaviour management within Epsom College in Malaysia Prep School is shared between all members of staff, parents and the children. The Head of Prep is responsible for reviewing and updating the policy.

All **teaching staff** should be firm and fair in their application of discipline within and outside the classroom. It is their responsibility to take positive, affirmative action to ensure that the College's rules, procedures and that which is taken to be 'best practice' are all adhered to. In addition to the common law duty of a teacher to take such care of the children in his/her charge as a careful parent would take of his/her own children, there is a statutory duty imposed on teachers to promote the general progress and well-being of individual pupils or groups or classes assigned to them, to maintain good order and discipline among the pupils and to safeguard their health and safety. (This duty includes ensuring as far as possible that pupils are free from bullying and harassment.) Teachers are encouraged to seek advice from the Head of Prep School/Head of Department or from other senior colleagues concerning the management of particularly demanding groups of pupils or of individuals.

Prep School Class Teachers monitor all aspects of the school career of each of his/her pupils, which for some will include interpretation of and compliance with features of the College's code of conduct. Through one-to-one conversations and more open discussions during class PSHE lessons, class teachers offer guidance to their pupils on a range of pastoral issues, including those that relate directly to behaviour. The occasional steer towards a particular direction or well-timed piece of advice can change a course of action, transform the pupil's perspective on life at school or even avert a potential issue from arising.

By means of encouragement and reward, and by the application of a clearly understood and fair system of sanctions, the class teacher vigorously promotes acceptance of the code of conduct of the Prep School. He/she is the principal point of contact for colleagues and parents concerning all aspects of a pupil's behaviour and will inform the Head of the Prep School or Headmaster of severe breaches of discipline.

Heads of Department are responsible for maintaining standards of behaviour and discipline within their departments that must reflect any health and safety issues associated with the teaching of particular subjects. They will offer advice and guidance to newly appointed teachers, paying particular attention to the needs of those in a first appointment.

The Head of Prep School is responsible for maintaining standards of pupils' behaviour and discipline throughout the Prep School and wider College environment, including consistency of behaviour both within and outside the classroom at all ages. He/She will revise as necessary all procedures and policy documents that relate to the welfare or conduct of pupils, and advise teaching staff and others of developments. He/She will manage the administration of rewards and sanctions (including the application of effort and attainment grades) and keep a record of such. He/She will inform the Headmaster about any significant behavioural issues that arise.

The **Headmaster** is responsible to the Board of Governors for ensuring appropriate standards of discipline within the College, and for the promotion of positive behaviour. He will determine the main principles behind any behaviour policy and ensure it does not conflict with other College policies. He will determine all issues of exclusion. He will ensure that parents are aware of this Behaviour Policy.

The **Governors** endorse the principles underlying the policy and require the Headmaster to ensure appropriate standards of discipline within the school.

All **staff** are required to follow the Staff Code of Conduct policy, to implement this behaviour policy equitably to all pupils.

Parents are advised of this policy and are expected to support the school in its implementations.

Pupils must abide by the requirements of this policy as outlined in the Prep School Rules.

17. Saturday School

The same expectations and standards of behaviour are expected by all pupils attending the voluntary Saturday morning school sessions.

Appendix 1

PREP PLAYTIME GUIDELINES

Prep Playtime Guidelines for safe, fun play experiences

Morning Break : 10:10am – 10:30am
Lunchtime Break: 12:20pm -1:15pm for Nursery, Reception and Yr 1/2 (Garden) and Y3-6 (Granville Green)

Adults' role:

- Be early or on time. Check that the other person is present. If not, contact the HoP (0162241546) for a replacement asap.
- Be proactive, be firm and take charge (the children want you to) but smile and have fun.
- Interact and get them playing together (some will need help with this).
- Teach new playground games.
- Help them solve problems/irritations they encounter (rather than just telling them what do to).
- Hand out lots of House Points to Y1-6 (verbally, max 2) for great teamwork, hard work, creativity and manners.
- Drinks (other than water), food, mobiles/texting or headphones are not permitted in the play areas.
- Staff are to circulate in their designated area helping the children to play, stay safe and find playmates.

Access to play spaces:

- With their teacher/TA, Y3-6 access Granville Green via the Prep Garden and across the pedestrian crossing. Return along this route at end of plays. Supervised by teacher or TA in a class line.
- Prep Garden – Nursery, Reception, Yr1/2 class only. Gates/doors always closed. Morning break and lunchtime.

End of break:

- Children are stopped 5 mins before the official end of break.
- On seeing the teacher's raised hand, children stop and stand still. When the hand is lowered, children tidy up any play equipment and then line up in class lines and are escorted back into the building.

Please encourage the children to:

- Take care of the equipment, share it and tidy it up neatly;
- Stay within the Y3-6 bounds – not up steep slopes, within the designated area.
- Respect the gardens, trees and plants;
- Take turns and play fairly with others
- Slide down the EY slides (not push others or run down).

Behaviour:

- No kicking, punching, rough play or tackling, throwing sand or water, pushing or hitting is tolerated.
- Give 'timeout' in shade if child ignores first warning. Report to the class teacher that day in person or by e-mail.
- Balls which are kicked out of the campus are retrieved later by security. Balls on roads are reported to staff who give permission for them to be retrieved. Y3-6 only.
- Reward positive behaviour regularly with House Points (normally 1, max 2).

Other:

- Prep Garden gates must be closed and bolted to ensure children do not leave the area.
- Y1-6 children to take full water bottles to play;
- All children to wear hat (No hat = No play – in the shade and this is non-negotiable);
- Place children with suspected heat problems in shade or send to nurse with adult supervision.

Bathrooms:

- FS play area: bathrooms are accessed through classroom doors into PS. Children go in pairs.
- Toilet before and after playtime. If required during playtime, the child must be escorted to and from the Prep Garden - with view of the Granville Green.

Nurse/Medical Attention:

- Children who have had bumps of any sort to the head/face must be accompanied to the nurse straight away or, if in the case of a serious injury, remain with a member of staff on the pitch until a nurse arrive.
- In the event a senior KS2 pupil suffers a **minor** injury at break/lunch-time and requests to go the Medical Centre, the supervising teacher may ask another senior KS2 pupil to accompany him/her, having first supervised them crossing the road. The member of staff should then follow up immediately after break with the pupil's class teacher so that a check can be made on the pupil.
- In the case of a potentially more serious injury, including but not limited to, any bleeding, head injury or suspected fracture/break/sprain, the pupil must be escorted to the Medical Centre by a member of the Prep School Teaching staff or await support from the Medical Centre. In the case of an emergency it may be necessary to send a senior KS2 pupil to the Medical Centre to request for immediate support in the absence of another member of staff.
- KS1 and EYFS pupils must always be escorted to the Medical Centre.
- In the event of any Prep School pupil becoming unwell during the school day after break/lunch, they must always be accompanied to the Medical Centre by a member of staff. Another pupil must not be given the responsibility for escorting a sick child to the Medical Centre, unless there is no other member of staff available to do so.

Appendix 2

INCIDENT RECORD

In the event of an accident, injury or incident of misbehaviour in the playground, the duty teacher is to complete the following information and pass a copy to the **Head of Prep School** by the end of the school day.
