

Epsom College in Malaysia seeks to appoint **an experienced EAL Teacher** for Mid August 2020.

The successful candidate will have an EAL qualification and a proven track record of engaging young people in their learning. Experience and expertise in teaching a second subject is desirable.

Opportunities for career development exist, where the College actively supports Professional Development for all staff.

All staff are expected to play a full part in the boarding and co-curricular life of the College, involving regular evening and weekend duties.

The College operates a six day week, Monday to Saturday.

Candidates should apply by completing the online TES application form, taking particular care to fully complete all sections as instructed.

The deadline for applications will be **4.00 pm (Malaysian time) on Monday, 9th December 2019**. However, the College reserves the right to interview and appoint outstanding candidates before this date. Interviews will be conducted via a skype process.

The College offers a generous staff package including competitive salary, health insurance and, for expatriate teachers, relocation costs and accommodation provision on the College site.

Epsom College in Malaysia is committed to the safeguarding of pupils and expects all staff to share this commitment. All staff will be subject to necessary background and qualification checks. The College is an equal opportunity employer and welcomes applications regardless of age, gender, race, religion and disability.
