

An opportunity to explore **CARR HOUSE**

Welcome to Carr House

Carr House is named after one of the original supporters and benefactors of Epsom College UK, Dr William Carr, whose generosity was honoured in 1883 with the founding of Carr House. The House is home for boys in Years 6 to 9, who share a range of facilities within the accommodation including: study spaces, music practice rooms, recreational facilities, several "brew rooms" where pupils can prepare drinks and snacks, together with a range of communal areas where they can socialise.

Carr is a caring and friendly community, with a relaxed family atmosphere. The Housemaster, Matron and Tutors are available 'around the clock' to encourage, support and challenge each individual pupil. The 'transition years' provide immense opportunities for every child to take part in a range of academic, sporting, dramatic, artistic and musical pursuits. Promoting independence, resilience and responsibility are extremely important to us, alongside Epsom's core values of 'Good Manners, Hard Work and Selflessness'. We aim to lay the foundations for our pupils' development of key academic, social and leadership skills that will be crucial for their future success, both in the senior Boarding Houses and beyond.

Carr House is run by James Carson and he worked in the International section of one of Britain's oldest schools, Sherborne School. He is also a keen golf, squash and badminton player.

The House

PRACTICAL INFORMATION

The Boarding House has a range of accommodation and we try very hard to ensure room allocations are made fairly and appropriately.

In addition to normal bedroom furniture, boarders also have a desk with a lockable drawer or wardrobe. We hope that boarders will personalise their room as it is important that the 'House' becomes a home away from home.

COMMUNAL AREAS AND FACILITIES

Each House has a kitchen for eating and preparing snacks and communal facilities for social time. Each House also has wireless internet and all students will be expected to sign the 'ICT Acceptable Use Policy'.

CLOTHING REQUIREMENTS

Boarders wear appropriate College uniform until the end of activities at 17:30 Mon - Fri / 12.30 Sat, when they may change into their own clothes. In addition to College uniform (as outlined in the joining instructions), we suggest that your son or daughter should have:

- Appropriate footwear – black shoes and trainers (non-marking soles), astro/football boots
- Sports Clothing
- Casual Clothing
- More formal attire for end of term socials and dinners
- Classroom equipment (Pens, pencils, calculator etc.)

Parental Contact

COMMUNICATION

Communication is the key to an effective relationship between you, your son and the College. Keeping in touch is important, even more so if you are overseas or many miles away. You are always welcome to visit or take out your son, but please let us know before you come; an email to myself is sufficient to organise this.

mark.loveday@epsomcollege.edu.my

Alternatively, you may contact me in person via a mobile number which will be provided to all parents of boys in the House.

Your son will have various ways of contacting you: e-mail, Skype, Face-time and, of course, mobile phone.

Mobiles should not be used during lesson times, during prep in the evenings or after lights out, but otherwise your son is able to contact you when they wish. We hope that he will feel able to talk to staff about any concerns. All staff are trained to deal with issues, understand confidentiality and the need to refer matters at other times.

I will normally be the first point of contact. You will receive regular academic and pastoral reports throughout the year and we will contact you on any specific issues relating to your son's education or welfare. At other times you may be contacted by your son's Tutor, with whom they meet a number of times per week to discuss academic and pastoral progress.

THE LAUNDRY

Laundry, including bed linen, will be managed by the House Staff and is handled by an external company.

STUDENTS OFF-SITE

We are very lucky to have a small shopping outlet next to the College. Students are allowed to visit this under certain conditions:

EXEATS

Exeats occur three times per year. This is when the whole college closes and students are expected to leave site for the weekend, unless they are enlisted in the Exeat Care

THE ROLE OF THE STAFF

As HMM I have overall responsibility for the welfare of the students in Carr and act as 'loco parentis' for boarders. I am ably assisted by a resident Assistant HM, Steward, a team of Tutors, [both residential and non-residential] and cleaners.

A member of staff is on duty every evening, as are duty prefects, with myself or the AHMM always present. Prep (homework) is supervised, with duty staff assisting boarders. Tutors will move around the house to make sure that work is being done, and any boarder wishing to work outside the Boarding House (e.g. in music, art or the Sixth Form Grayling Centre) has to request permission from the tutor first and sign out to say where they have gone.

Myself, the AHMM or Resident Tutor will take over every evening at lights out to oversee the safety and welfare of the boarders overnight.

THE HEAD OF HOUSE AND HOUSE PREFECTS

The Head of House and House Prefects have an important role to play in the House. They are essentially the conduit between pupils and House staff. Their role is to help to make the lives of boarders in their respective Houses happy, free from incident and a positive, fulfilling experience. The Head of House and House Prefects and myself talk regularly to ensure that the House runs smoothly, and that all pupils are engaged.

The Head of House and House Prefects' responsibilities include assisting staff in the running of the Boarding House and helping in both the pastoral support and safeguarding of welfare of the boys in their House. They may also act as or 'Buddies' for new students.

MEDICAL SUPPORT

The Medical Room

The College provides a 24 hour health care service by registered nurses. The care includes illness and injury management, developmental screening and healthcare advice to students. The nurses will liaise with myself, parents/guardians concerning any health issues. Appointments can be made with a local General Practitioner when needed.

Parents must declare all known medical conditions and complete all relevant medical questionnaires before their son starts at the College. Strict rules exist on self-medication for the safeguarding of all students.

Boarding Routines

MONDAY-FRIDAY

Time	Activity	Location
0645 - 0715	Wake up and wash/dress	In Houses
0715 - 0800	Breakfast - All students must attend	Dining Hall
