

Uniform Requirements

Those items marked with an asterisk* can only be purchased at the Epsom College Store. If your son or daughter is a Boarder, you will be advised by the College Store what quantity of each item of uniform is required.

The parents of Day Boys or Girls may feel that their children can manage with fewer items. All the uniform items listed below are available from the College Store. Sports equipment is available from the College Store throughout the year as well as items of stationery and toiletries.

All articles of clothing and personal property must be clearly marked with the pupil's name and House initials.

Quantities of uniform required are approximate and, for Boarders, enough clothing should be purchased to allow for up to one week for the return of laundered clothes.

College Store

The College Store operates from 8.00am to 5.30pm (Monday to Friday). On Saturday the College Store opens from 9.00am to 12.00noon and is close on Sunday.

During the summer holidays the College Store will be open Monday to Friday 9.00am to 4.00pm. However, parents will need to make an appointment if they wish to purchase uniforms. To avoid delays in kitting out your sons or daughters, the purchase of the school uniform prior to the school opening will only be by appointments.

SHOES REQUIREMENTS

Examples of acceptable school shoes for daily wear (Year 1–13):

These shoes are black, very low heel, black laces/Velcro/slip-on, polishable leather, minimum embellishments (i.e, bows, patterning). Similar shoes are available for purchase at selected departmental stores in Malaysia. Please contact us for recommended supplier in Malaysia.

Not permitted for daily uniform: black sports shoes, trainers or athletic shoes, black ankle boots or black shoes which cover the ankle bone. Coloured stitching or decorations are not permitted. Please see below for examples:

- For PE and Games lessons: Plain white trainers/sports shoes with non-marking sole. Velcro or laces.
- Those Prep students taking part in rugby, football and hockey training and fixtures may wish to have specialist footwear for those sports. Design to be the student's choice.
- Specialist sports footwear is chosen for comfort and support, and therefore there are no colour or design restrictions imposed.
- Sports footwear for indoor use (sports hall, fitness suite and squash courts) must have a non-marking sole.
- Football, hockey and rugby boots may have metal or plastic studs for play on grass pitches. For astro pitches, only suitable 'astro' shoes with the 'non-slip' sole are permitted.
