

EXEAT Care:

Every term there are one or two EXEAT weekends. This is a weekend where full boarders are able to return home to family, or stay with a guardian. We understand that it may not be possible for some full boarding students to return home or leave school during EXEAT weekends, therefore we offer EXEAT care in school.

To use this service for the academic year 2023/24 and book a place for your child, an annual retainer of **RM1,000 (one thousand Ringgit Malaysia)** is required at the beginning of the academic year. We regret that we will not be able to offer EXEAT care to students who have not reserved a place.

A further **RM200 (two hundred Ringgit Malaysia)** is payable for each day that the student is in EXEAT care. This fee will be invoiced as and when the EXEAT care is utilised.

For further information please reach out to our Admissions Team on admissions@epsomschool.com.
